

**REMARKS**

Applicants amend the Specification as required in the Notice of Drawing Inconsistency with Specification dated July 1, 2005. The omission of the description of Figures 6A-6D was a clerical error.

In response, Applicants amend the Specification to add a brief description of the Figures 6A-D. The added description finds non-limiting support in the Specification as originally filed, for example at page 21, lines 19-21 and at page 23, lines 6-8.

Consequently, in view of the present response, no further issues are believed to be outstanding in the present application.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
